Environmental Advisory Service 生活環境輔導服務

Environmental Advisory Service (EAS) is a community architectural consultancy service operating in conjunction with the specialized rehabilitation services of the Rehabaid Centre and the Rotary Rehabaid Centre for Children, all of which are services under the Rehabaid Society.

EAS provides a specialized information and advisory service on the environmental needs for people with special needs (including the physically disabled; the sensory disabled; the mentally ill; the mentally handicapped; and the elderly).

復康資源協會轄下的復康專科及資源中心和扶輪兒童復康專科及資源中心除了提供專業的復康服務外，亦為市民大眾設立了一項建築環境顧問服務，名為「生活環境輔導服務」。

生活環境輔導服務旨在為特殊需要人士提供有關環境設計的專業資訊及諮詢服務，對象包括：肢體傷殘人士、感官受創者、精神病患者、智障人士及長者。

Aims

服務宗旨

Our major aim is to encourage inclusive design of the physical environment that enables people with special needs to make the most of their lives, and to be as independent as possible.

EAS advocates equal rights for people with special needs within the community. EAS promotes improvement of the environment so as to enable people with disabilities to integrate on equal terms into all areas of society, including education, employment and housing opportunities, recreation and leisure, communication and transportation.

EAS is committed to shaping of the environment which helps people with special needs to achieve their potential and to integrate into the social, cultural and economic life of the community.

提倡通用環境設計，令有特殊需要的人特別是殘疾人士，可以盡展所能及擁有獨立而豐盛的生活。

生活環境輔導服務鼓吹傷健同享平等權利，藉著改善環境設計，讓殘疾人士可以融入社會，有平等就業和接受教育的機會，在選擇居所，社交和乘搭交通工具上，得享相同的權益，能夠毫無阻隔地進出各公眾或私人場所。

致力締造一個傷健共融的生活環境，令有特殊需要的人士也能發揮潛能，在社會、文化及經濟各方面都盡展所長，貢獻社會。

Scope of Service 服務範疇

Consultancy Services 專業顧問服務

EAS provides advisory service for clients with disabilities and the elderly, as well as their families, carers and related service providers on the renovations and modifications required in the new or existing home / working environments and premises.

EAS offers consultation service for architects, interior designers, urban planners and other design professionals on their projects, providing advices on accessible design planning and implementation.

EAS also provides advisory service to hospitals, government departments, voluntary agencies and health care professionals on accessibility issues relating to the existing or future plans, on the implications of providing accessible facilities, and on the design of and operational needs for accessible buildings.

為殘疾人士、長者、病人的親友、照顧者和服務提供者等，直接提供諮詢服務，指導有關新舊居所和工作環境的場地翻新和改裝事宜。

為建築師、室內設計師、城市規劃師和其他專業設計師的工程提供顧問服務，確保通道設計暢通無阻，適合不同需要的人士使用。

為醫院、政府部門、志願機構和醫務人員就新舊建築圖則的通道問題，包括出入設施、通道設計和運作上的需要，提出專業意見，務求締造一個無障礙的環境。

Scope of Service 服務範疇

Legal Reports 專家報告

EAS provides expert reports for government counsels and solicitors in practice to assist them in handling personal injury claim proceedings. These reports identify the suitability of the living accommodation or workplaces of the injured clients, and also give recommendations on the modifications required to these environments with an estimate cost in order to meet clients' specific needs.

為政府律師和私人執業律師提供專家報告，協助處理人身傷害索償案件的訴訟。專家報告會列明當事人的居所和工作地點是否適宜繼續使用，又會因應個別人士的需要提出環境上的改裝建議，並估計所涉及的開支。

Access Audit Reports 環境通道檢定報告

EAS provides customized reports for building owners, service providers and other interested organizations. These reports enable property owners / managers to improve the accessibility of their premises through changing services practices, policies and procedures, providing auxiliary aids and services, and overcoming physical barriers. Clients are also advised on prioritization and on the formulation of an implementation plan.

為大廈的業主、服務承辦商和其他相關團體提供環境通道檢定報告，協助業主/管業處經理保持樓宇通道暢通無阻，方法包括：更訂管業服務的規例、政策和程序，添置輔助設施，掃除環境上的障礙。建築師會向委托人建議改善方案的優先次序和執行方法。

Research 調查研究

Research projects are conducted on topics related to accessible environments and inclusive design.

專題研究項目會圍繞通用環境及傷健共融設計等主題而展開。
